"The Lives You Touch"

MELPAR WORKS TOWARD \$95,000 CAMPAIGN GOAL

Melpar will conduct its 1989 United Way Campaign from October 9 through October 13. This year's theme is "The Lives You Touch." As in the past, we anticipate an enthusiastic and generous response by our employees to this important campaign.

Bill Constantine of Systems Development is serving again as the United Way Campaign chairman. Larry Cecchini, vice president of Intelligence Systems, and Al Jackson, vice president of Electronic Systems, are vice chairmen. Tricia Reneau and Debbie Sparks of Employee Relations are the United Way Campaign coordinators.

More than 130 campaign solicitors have been selected

from our organizations to contact each employee, discuss the United Way, and distribute and collect the pledge cards.

Our goal this year is to achieve \$95,000 in employee contributions (up from \$87,700 contributed in 1988). All contributors will be eligible for a special drawing for the following prizes: a weekend for two at one of five Historic Inns of Annapolis, an American Express gift check for \$100, and a Classic Black Cross pen and pencil set stylized with the E-Systems logo. As you can see, it pays to participate!

Participation is the key to a successful campaign. Please join us in supporting the United Way.

Dear Fellow E-Teamers

I am pleased to be serving again as Chairman of Melpar's United Way Campaign. We have an excellent campaign team and look forward to another enthusiastic response by our employees to the United Way.

Our theme this year is "The Lives You Touch." Your gift to the United Way touches the lives of over one million people in our community. More than 230 health and human care agencies in the National Capital Area work efficiently and effectively to provide care and assistance to those less fortunate than ourselves.

Participation in the United Way "brings out the best in all of us." Your generous gift works year-round supporting the agency or agencies of your choice. Thousands of volunteers and an excellent administrative organization put 90 cents of every United Way dollar directly to work for much needed health and human care services.

I hope you will pledge your support to the 1989 United Way Campaign. Do it your way—through the payroll deduction plan or with a check or cash contribution—but please participate. Remember, you can designate a specific United Way organization to receive your gift, here in the National Capital Area or in any other community you choose.

Keep the spirit alive by supporting the United Way Campaign.

WM Constantine

IT BRINGS OUT THE BEST IN ALL OF US

SPECIAL REQUESTS ANYONE?

If you have a special preference for your contribution, follow these simple steps when making your donation.

GENERAL CONTRIBUTIONS

General contributions benefit nearly 200 United Way and United Black Fund agencies. To make your general donation, simply fill out your pledge card and indicate whether you have paid in cash or through our payroll deduction plan.

SPECIAL CONTRIBUTIONS

- To earmark your contribution for a specific United Way or United Black Fund agency, fill out the agency's name on a designation card and attach it to your pledge card.
- You may also contribute to a non-United Way organization through this campaign by including the organization's name and address on a designation card. The United Way will then handle the proper distribution of your donation.
- If you would like to receive a written acknowledgment of your gift, write "ACKNOWLEDGMENT REQUESTED" on the top of your designation card.

CONTRIBUTING TO A "PARTICIPANT"

In addition to member agencies, the United Way campaign also provides funding for area health organizations through their "Campaign Participant" program. The associations participating in this year's program include: The American Cancer Society, The American Heart Association, the Cystic Fibrosis Foundation, Metropolitan D. C. Chapter, The National Kidney Foundation of the National Capital Area, The Juvenile Diabetes Foundation, The Workplace Health Fund, The AIDS Program of the Whitman-Walker Clinic, Coalition for the Homeless, Family Respite Center, Financial Resources and Education for Elderly Society, House of Ruth, International Counseling Center, Loudoun 4-H Club's Riding for the Handicapped Foundation, Inc., Southwest Community House, United Negro College Fund.

These organizations receive funding solely through your designation. To contribute to one of these organizations, you must fill out a designation card.

EXCLUDING AN AGENCY

The United Way also allows you to exclude an agency from receiving part

of your general contribution by specifying "ALL UNITED WAY AGENCIES EXCEPT _____" on a designation card. For assistance in filling out designation and pledge cards, please visit your solicitor or contact Tricia Reneau, extension 2717.

The United Way Campaign is designed so that contributions can be allocated where the community needs are the greatest. Nearly 150 volunteers representing a variety of geographic and demographic segments in the Metropolitan D. C. area analyze community and agency needs to ensure proper distribution of funds. If you choose to give money to a specific agency, however, that organization will receive your gift regardless of whether it has reached its allocated quota.

However you choose to make your donation, please give generously. Your donations make a better community for all of us.
